

Pedro Felgueiras

Senior Software Engineer

# Pedro Felgueiras

Senior Software Engineer

## Profile

I'm a self-motivated and highly competent IT professional with extensive background in developing and customizing internal tools and processes. I have excellent interpersonal skills and empathy, enabling me to interact with a wide range of departments identifying their needs and burdens. I am eager to be challenged in order to grow and further improve my skills. My greatest passion is using my technical know-how and skills to facilitate and improve day to day tasks to organisations and their persons.
